NEWS RELEASE

District of Taylor Announces New Chief Administrative Officer, Moira Green to Lead Team Taylor

The District of Taylor is pleased to announce that the very robust recruitment process of choosing a new Chief Administrative Officer is complete. The Staff and Council are happy to announce that Moira Green has accepted our offer of employment.

Moira brings strong local community relationships, is a strategic thinker with a solid track record of project management. A proven team leader, Moira's experience in banking, economic development and governance will position the community for future growth, development, and financial stability. Moira is committed to delivering on Council's priorities.

"Our Council is proud of and committed to maintaining a positive workplace that supports the valued members of the Taylor Team and its "service first" culture. We are steadfast in our commitment to positive and collaborative relationships with our neighbors and colleagues in local government. The entire Taylor Team strives to make Taylor the best place to live, work and play and Moira is a positive addition in support of those commitments."

Mayor Rob Fraser on behalf of the District of Taylor Council
