IN THE HEAT WITH THE TAYLOR FIRE RESCUE

On Sunday, May 8th Taylor Firefighter's Association held their annual Mother's Day Breakfast. Everyone was happy to see the return of an indoor, sit-down breakfast. Some of the kids even got treated to the firefighters being dispatched to an emergency call during breakfast and watched as the responding vehicles departed with their lights and sirens.

Did you know that you can receive alerts affecting Taylor, directly to your cell phone, email, or home phone? All residents of the District of Taylor are encouraged to sign up for **North East BC Emergency & Public Alerts**, and it is **FREE!**

EMERGENCY PREPAREDNESS WEEK

Emergency Preparedness Week (EP Week) was held **May 1-7, 2022**. This year we were able to attend our three local schools, host the Taylor Industrial Mutual Aid Group (TIMAG) EP Week BBQ, and we completed this special week with the Wildfire Community Preparedness Day BBQ along with BC Wildfire Service and Firesmart BC. Chief Byford wishes to thank everyone that was involved in this busy week and commented “It was great being able to engage with the public and spreading our message of Emergency Preparedness, it’s Everyone’s Responsibility”.

RECRUITMENT! We are always looking for new people, to come out and volunteer with Taylor Fire Rescue. If you live within Taylor, or our Fire Protection Area, and you are interested in serving your community in this special way, please feel free to contact Chief Steve Byford at 250-789-3392 or sbyford@districtoftaylor.com. We would be happy to have you come out and see what we do and let you talk to other members of the department to find out firsthand on what to expect and how rewarding it is. Our Junior Fire Fighter program is available to students 14 to 18 years of age.

BRITISH COLUMBIA CAMPFIRE REGULATIONS

Violating these regulations could cost you **\$1,150**.

If a violation causes a wildfire, the person responsible may also be ordered to pay all firefighting and associated costs.

CAMPFIRE SIZE

A campfire is defined as a fire no larger than 0.5 metres high and 0.5 metres in diameter. Fires larger than that are considered Category 2 open fires and are illegal if Category 2 open burning prohibitions are in effect.

8 LITRES OR A HAND TOOL

You must keep at least eight litres of water or a hand tool on hand at all times while your campfire is lit.

PUTTING OUT YOUR FIRE

Before you leave the area for any amount of time, your campfire **MUST** be fully extinguished. The ashes of your fire must be cool to the touch.

FUEL BREAK

You must have a fuel break around your campfire. This area must be cleared of debris and anything combustible. It needs to be wide enough to stop the spread of the fire. A rock ring around the fire can also help prevent it from spreading.

You **MUST NOT** leave your fire unattended for **ANY** length of time.

Report wildfires, unattended campfires or violations of regulations by calling ***5555** on a cell or **1 800 663-5555** toll-free.

Zoning Bylaw No. 783, 2014

The District of Taylor would like to remind their citizens that in accordance with Zoning Bylaw No. 783, 2014 that all Backyard Hen Enclosures and Bee Keeping must meet the following requirements, including the necessity to have a current, annual permit. The permits can be obtained at the District Office, and there is no cost to acquire the permits.

4.23 Backyard Hen Enclosure

1. Where permitted within a zone, a backyard hen enclosure must comply with the following regulations:
 - i. Backyard hen enclosures must be clearly incidental and secondary to the use of the dwelling for residential purposes, and must be conducted by a resident of the parcel
 - ii. A maximum of six hens may be kept for personal egg consumption
 - iii. Backyard hen enclosures must be located in a backyard and the dwelling unit must be between the backyard hen enclosure and the front parcel line
 - iv. A backyard hen enclosure must only use a pen and a coop as defined by this bylaw
 - v. The maximum size of a coop is 8 m² in floor area and 3 m in height
 - vi. The coop and the pen must be placed at least 2.5 m from the exterior side parcel line, the interior side parcel line and the rear parcel line
 - vii. A valid permit must be obtained through the District of Taylor in order to operate a backyard hen enclosure

4.24 Bee Keeping

1. Where permitted within a zone, every person keeping bees and the owner of any parcel of land on which bees are kept must comply with the following regulations:
 - i. Provide adequate water to prevent the bees from seeking water from other sources, such as neighbourhood swimming pools, birdbaths, ponds or other bodies of water
 - ii. Take all reasonable measures to prevent swarming and aggressive behaviour by the bees
 - iii. If the bees swarm or show signs of aggressive behaviour, ensure that the bees are re-queened
 - iv. No more than two colonies of bees are permitted on a parcel having an area less than 1,100 m²
 - v. A beehive is not permitted within 7.5 m of any parcel line except when:
 - a. The hive is situated 2.5 m or more above the adjacent ground level
 - b. The hive is situated less than 2 m above adjacent ground level and behind a solid fence or hedge 2 m or more in height running parallel to any parcel line and extending at least 6 m beyond the hive in both directions
 - vi. A valid permit must be obtained through the District of Taylor to operate a bee keeping operation

OPEN FIRE REGULATIONS

40%

40% of B.C. wildfires are human-caused and therefore preventable

CAMPFIRES, CATEGORY 2 FIRES AND CATEGORY 3 FIRES: WHAT'S THE DIFFERENCE?

CAMPFIRE:

- Any fire smaller than 0.5 metres high by 0.5 metres wide

REGULATIONS:

You must have ready access to 8 litres of water or a shovel for the entire time your campfire is lit.

Your campfire must be completely extinguished and the ashes must be cool to the touch before leaving the area for any length of time. (Hot coals can reignite the fire.)

During campfire prohibitions, only a CSA- or ULC-approved portable campfire apparatus may be used, and the flame height must not exceed 15 centimetres.

You must build a fire guard around your campfire.

CATEGORY 2 FIRE:

- 1 to 2 concurrently burning piles no larger than 2 metres high by 3 metres wide
- Stubble or grass burning over an area less than 0.2 hectares

REGULATIONS:

A fuel break must be established around any Category 2 burn area.

Fireworks are banned when a Category 2 fire prohibition is in effect.

Burning barrels are banned when a Category 2 fire prohibition is in effect.

At least one person equipped with a fire-fighting hand tool must monitor the fire at all times.

CATEGORY 3 FIRE:

- Any fire larger than 2 metres high by 3 metres wide
- 3 or more concurrently burning piles no larger than 2 metres high by 3 metres wide
- 1 or more burning windrows
- Stubble or grass burning over an area greater than 0.2 hectares

REGULATIONS:

A fuel break must be established around any Category 3 burn area.

Monitor your open burn to ensure that the fire doesn't spread beyond its intended size.

You must have a burn registration number to light a Category 3 open fire. Call the burn registration line **1 888 797-1717** to obtain one.

GENERAL REGULATIONS:

Never burn in strong wind conditions.

Your fire must be extinguished before leaving the area.

Always keep your fire a safe distance away from nearby branches, wood and other combustible materials.

Do not conduct Category 2 or Category 3 burns when venting conditions are "Poor" or "Fair". Always check here first: www.bcairquality.ca/readings/ventilation-in-dex.html

**Further bans and restrictions can be implemented at the BC Wildfire Service's discretion.*

Anyone found in contravention of an open fire prohibition may be fined up to \$1,150. If your fire escapes and results in a wildfire, you may be fined anywhere from \$100,000 to \$1 million and be sentenced to one year in prison. Please check with local government authorities for any other restrictions before lighting any open fire.

Please report wildfires by calling ***5555** or **1 800 663-5555**.

ALL-TERRAIN VEHICLES

CAN CAUSE WILDFIRES

RESPECT THE FOREST

Being careful about how and where you drive your all-terrain vehicle (ATV) will help protect the forests and grasslands of B.C.

EXHAUST SYSTEMS CAN GET VERY HOT

Hot mufflers and exhaust residue can ignite grass and other flammable material.

BE AWARE OF WILDFIRE RISKS

Carry enough water and a hand tool to put out any fire that you start, including campfires.

STAY ON ESTABLISHED TRAILS AND ROADS

Do NOT operate an ATV in tall grass or other vegetation when weather conditions are hot and dry.

Report wildfires, unattended campfires or violations of regulations by calling ***5555** on a cell or **1 800 663-5555** toll-free.

YARD AND GARDEN TRIMMING

The Yard and Garden Trimming site is located beside the Public Snow Dump area @ 10347 - Cherry Ave. East, just past the Golf Course Maintenance yard.

Allowable dumping for the site is yard waste such as leaves, grass, garden waste and branches no larger than 3" in diameter.

Please follow the instructions of what is permitted to be left at this site so that it can continue to be a feasible service for the residences of Taylor.

Public Works Department

Did You Know?

Residences adjacent to a boulevard may apply to install non-intrusive private developments, such as paths, landscape ties, gardens, plantings, lights, or underground sprinklers. These developments help enhance the community and District property.

To start the process, simply fill out an application and the District will work toward approving your installation. Pre-existing developments also need to be approved by the District. This will help decrease damage that may occur during maintenance performed by the District.

Public Works Department

PUBLIC NOTICE – WATERING RESTRICTIONS

Stage 1 Water Use Restrictions are in effect FROM MAY 1 TO SEPTEMBER 30 as follows:

STAGE 1 – REDUCED LAWN WATERING

1.1 During Stage 1:

- a) no person shall use a sprinkler to water a lawn growing on a property.
- i) except ON AN ODD NUMBERED DAY BETWEEN THE HOURS OF 6:00AM TO 8:00AM AND 8:00PM TO 10:00PM INCLUSIVE.

ENFORCEMENT

While cooperation from the community is anticipated and warning notices will be given, the District will issue a \$100.00 ticket to offenders.

1.2 As exception to the Stage 1 restrictions are:

- a) Nurseries, Farms, Turf Farms, Golf Courses and Tree Farms are exempted from restrictions; and
- b) Public authorities may water lawns and boulevards on any day, but no more than three days per week.

Frequent Water Conservation Questions and Answers

Q: Why do we need to conserve water in this region?

A. Becoming more efficient in how we use water and reducing waste helps to ensure our water supply for today and tomorrow – an important part in becoming a sustainable region. It also means we can save on operational and supply costs, money which can be better applied to social programs and invested to eventually increase our infrastructure to service more residents. System expansion also has environmental costs. By reducing our demand and waste today, we can make our current system more secure and last longer.

Q: What can I do to reduce the need to water my lawn?

A. Leave grass clippings on your lawn to save time, money and effort. Clippings will break down into fertilizer and because they cover the lawn, they reduce evaporation and the need to water. Spreading compost on the lawn will provide natural nutrients and increase its moisture retention ability. You may also consider alternative ground cover that requires less water and less maintenance than a lawn.

Q: How can I keep my new lawn alive?

- A. Contact the District office for a permit that allows sprinkling outside the designated watering times for new lawns. While most municipalities charge a fee for this permit, Taylor does not.

Q: Why are there some exemptions, such as golf courses and farms?

- A. Summer sprinkling regulations are meant to reduce water use in ways that do not cause serious economic hardship. Those users requiring water as part of a business operation are expected to conserve as much water as possible without resulting in a loss of business. In the case of the Lone Wolf Golf Club, irrigation water is taken from storage ponds that are filled directly from the Peace River. Therefore, usage outside of the specified hours does not impact the reservoir level.

WATER CONSERVATION TIPS

Residents are encouraged to conserve water! Water conservation means achieving the same results while using less water. Definite, measureable results may be obtained by eliminating wasteful water use habits and by using water more efficiently.

- Water in the evening or early in the morning to reduce evaporation.
- Most lawns need only an inch of water (2.5cm) per week to stay healthy. Use a shallow can to reassure this amount.
- Adjust sprinklers so only the lawn is watered, not the house, sidewalk or street. Do not water on a windy day.
- Listen to the weather forecasts. This way you can chose not to water the lawn when it is going to rain.
- Plant water efficient grasses, plants, trees and shrubs.
- Use mulch around your plants to help the soil retain moisture and reduce the growth of weeds.
- Use a broom when cleaning the driveway.
- When washing vehicles, use soap and water from a bucket. Use a hose with a shut-off nozzle for the final rinse.
- Collect rain water in a barrel and use it to water your garden.
- When mowing, raise the blade on your lawn mower to at least 2 inches high. *Most Bluegrass varieties prefer heights of cut between 1.25 and 2.5 inches for optimal growth and plant health. Closely-cut grass makes the roots work harder, requiring more water. Leaving the clippings on the lawn will help retain moisture.

Thanking you in advance for your cooperation!!

BE A TOURIST IN YOUR OWN TOWN MONTH - 2022

The Taylor Visitor Centre will be hosting an open house on Wednesday, **JUNE 1st** to kick-off this month which has been designated “**as the title implies**” the month of local Tourism across Canadian Communities with the view of encouraging all their residents, to peruse their very own stores, recreation areas, displays, facilities and services. Our community has lots to offer from recreational activities to everyday necessities.

To this end, the Mayor, Council, CAO and Manager along with the Visitor Centre staff would like to invite all Taylorites to participate in making the “***Be a Tourist in Your Own Town Month***” a success! We hope that you will take part in some, if not all, the happenings and specials scheduled for this month!

To facilitate this, we have compiled a schedule of things that might be of interest to everyone! Be sure to use it.

Your Taylor Visitor Centre is here for you, with an array of brochures and helpful tips for an interesting vacation or a mere couple of days off! Please feel free to pop in for coffee or tea, a story or two and great info about local as well as, faraway places. Be sure to drop your name in the raffle box for a chance at a prize. We are open daily from 9:00am to 5:00pm. Let us help you with your next holiday trip!

During this month, we encourage you to rediscover Taylor in a very special way by hiking or biking the local trails, of the very popular Peace Island Park and the Participation Trail around the Lone Wolf Golf Course, using the Adventure Playgrounds located throughout our community, baseball diamonds and for those who like to challenge themselves, attempting a climb to the top of the famous “Taylor Hill” which was prominently showcased on the “Village on a Diet” TV series.

Get acquainted with your local businesses such as the Red Wood Esso convenience store who offer, just about anything, from snacks to groceries and gas – (Purchase \$50 worth gas and get a free coffee during JUNE).

Drop by the Taylor Trading Post for a delicious hard ice cream and check-out all the new merchandise for sale, which covers a wide variety from baseball caps, drinks, and much more...!

Have a meal or just a beverage with family and friends at the Taylor Inn pub. During June, take advantage of the Monday special when you can get 2 meals at the Pub (1 at full price and the second for ½). Take a few hours on a Saturday Night and invite friends and family to participate in the Karaoke Experience at the Coyote; sample the Lone Wolf Clubhouse's fine eatery after a nice hike on the Participaction Trail...while there, you might even be tempted to try your hand at golf if you haven't done it before! Suggest to an acquaintance or friend, sharing a great pizza at the popular NEVEAH's Pizza and Pasta, have a coffee at the Caffeination Station!

Check out the array of great merchandise at Crafty Folks! Be sure to pick-up their 10% off coupons at the Visitor Centre, during this month. Have your vehicle serviced at McNabb's or SS Automotive. Be sure to browse the web page – WWW.LOVETAYLORBC.COM - where you will find various new home-grown businesses.

Other activities we might recommend, would be Fishing or boating in the Peace River, especially during the Family free Fishing weekend on June 17,18,19 when a fishing permit is not needed, camping for a night or two or having a picnic at Peace Island Park. Let's not forget to visit the historic side of Taylor displayed in signage plaques throughout the Community as well as the Peace Island Forts!

In preparation for the 50th Gold Panning Championships, which will take place July 29,30 and 31, you might want to try your hand at gold panning. Gold Panning Pans are available for sale at the Visitor Centre should you need one! In other words, enjoy Taylor at its best! You will be amazed how much fun you will have right here, at your very own doorstep!

FORT ST. JOHN INTERNATIONAL AIR SHOW

presented by

 Northern Lights College

July 30-31, 2022
North Peace Regional Airport

Tickets available online at:
www.fsjairshow.com

The Fort St John International Air Show Needs You!

After 5 long years, the Fort St John International Air Show Society is pleased to announce a two-day air show this summer, on the August long weekend, July 30th and 31st. There are many opportunities to help during the event, including some key coordinator positions that start right away.

Hospitality Coordinator – The main role of the Hospitality Coordinator is to ensure the VIP's, Sponsors and Performers have a fantastic experience. This will include overseeing the welcome reception, catering at the VIP tent and Corporate Chalets, and the welcome packages for the performers.

Volunteer Coordinator – Are you organized and love working with people? The Volunteer Coordinator will oversee the recruitment and retention of volunteers required to meet the needs of the event, including required training, scheduling, documentation of duties and credentials.

Treasurer - The Fort St. John International Air Show Society is actively seeking a Treasurer. This is a volunteer position, with a seat on the Board of Directors. The Treasurer will be responsible for bookkeeper duties such as entering invoices, issuing payments, and ensuring all financial records are up to date. Assistance with monitoring and fine-tuning the budget is also required.

Does this sound like you or someone you know?

For more information or to volunteer, please email info@fsjairshow.com.

Obituary for James “Galin” Proctor May 5th, 1942—April 9th, 2022

Galin passed peacefully at Rotary Hospice House in Prince George. Most of his adult life was spent in Fort Nelson and Taylor as a Westcost employee.

He & Bobbi owned the Rv Park in Taylor for 13 years, then moved down the street to his forever desired “Trailer in Taylor.” After retirement he established Outlaw Pilot & Hotshot and got out to explore all the side roads between Fort Nelson & Fort St John, as well as fields afar.

He prospected, hunted, Ski-doo-ed, river rafted, river boated and took up salmon fishing in the Terrace area later in life. He had the gift of the gab & had friends & acquaintances from every walk of life.

He was the “junior ” patriarch for his eight surviving siblings, as his dad left at an early age. He ran his last pilot trip in November of 2021 and slowly faded into the sunset. He is survived by Bobbi, his parents, ex-wife Verna, “husband in law” Barry & his first grandson Brayden. His ashes will be interred at the Nelson place at Golata Creek.

An impromptu drop-in will take place on June 11 & 12 from noon to 6:00pm each day, with an open mic from 2:00-4:00pm on Saturday. Drop by 10256 –101 Street in Taylor for food, conversation and beverages.

Expressions of sympathy can be made to the Rotary Hospice House, 3089 Clapperton St. Prince George BC, V2L N4 or a charity of your choice.

Darryl Glen Johnson

October 18, 1947 - March 12, 2022

Darryl passed away March 12, 2022, in Fort St John Hospital after a battle with prostate cancer.

Darryl will be remembered for his love of the outdoors and commitment to community. He was an avid fisherman, hunter and forager. He served the community as a coach, council member, and advocate for community projects.

A memorial will be held at the Taylor Community Hall

Saturday June 4th at 2pm

The W.A.C. Bennett Dam Visitor Centre is now open

Join us at the Visitor Centre which is now open seven days a week, 10 a.m. to 5 p.m. Come enjoy our interactive exhibits, watch our short films, learn about the Indigenous communities in the area and take in an amazing view of the W.A.C. Bennett Dam.

Take a bus tour across the dam or an outdoor walking tour to learn about how B.C. is powered by water!

Be Part of a Regional Marketing program

Your investment to be part of this exciting program is only \$100 - this money stays in your community to support the promotion of the program!

For example, Love Northern BC takes out ads in all major Tourism Association publications that reach audiences in all corners of the province

Love Northern BC also heads regional marketing campaigns, getting the message out that Northern BC independent, local businesses are the best of the best! In addition to this, signage and branded products circulated around the region bring more attention to this popular program.

Learn with Love Northern BC

Love Northern BC partners with Small Business BC to bring webinars to Northern BC audiences. Instead of paying \$50 per session, Love Northern BC businesses can participate for free!

Compelling Storytelling

Working with a professional writer, your online profile will be created to feature the story of your business, your journey as an entrepreneur, your products and services, and will also highlight the ways your contribute to your community.

The Power of Photography

Nothing tells a story quite like photos, and quality images of you, your business and its offerings are an important piece of your marketing efforts. A local photographer, familiar with the character of your community, will work with you to capture the spirit of your business. Your best photos will be featured in an online gallery and used to help promote the program.

Is my business eligible?

Love Northern BC programs are open to independently owned, non-franchise businesses that are located in our project communities. Certain kinds of home-based businesses are eligible including artisans, crafters, food producers and farmers. Love Northern BC as a marketing tool works best for businesses that are focused on retail goods and services rather than industrial companies.

Summer Strawberry Rhubarb Pie

Reminds me of the first days of summer, picking strawberries with my mom, and getting ready for the 4th of July.

By GoodGoneGirl

Cook: 40 mins

Total: 1 hr 10 mins

Prep: 30 mins

Servings: 8

Yield: 1 9-inch pie

Ingredients

1 recipe pastry for a 9 inch double crust pie

2 cups diced rhubarb

2 ½ cups hulled strawberries

1 cup white sugar

¼ cup all-purpose flour

3 tablespoons butter, diced

¼ teaspoon ground nutmeg

1 tablespoon white sugar

1 teaspoon ground cinnamon

Directions

Preheat oven to 450 degrees F (230 degrees C). Divide the pie pastry in half; roll out half into a circle on a floured work surface, and line a 9-inch pie dish with bottom crust. Roll the remaining half out into a 10-inch circle on a floured work surface, and set aside.

Mix the rhubarb, whole strawberries, 1 cup of sugar, flour, butter, and nutmeg together in a bowl. Pour the filling into the crust-lined pie dish.

Cut the remaining crust into 3/4-inch wide strips (use a scalloped edge pastry cutter for a prettier crust). Moisten the rim of the filled bottom crust with a bit of water, and lay the two longest strips in a cross in the middle of the pie. Working from the next longest down to the shortest strips, alternate horizontal and vertical strips, weaving the strips as you go. Press the lattice strips down onto the bottom crust edge to seal, and trim the top crust strips neatly. Mix 1 tablespoon of sugar with cinnamon in a small bowl, and set aside.

Bake in the preheated oven for 10 minutes; reduce heat to 375 degrees F (190 degrees C). Remove pie. Sprinkle the top with the cinnamon-sugar mixture, and return to oven; bake until the crust is golden brown and the filling is bubbling, about 30 more minutes.
