We are looking for members! Who are we and what do we do? We are a group of people who are passionate about the history of Taylor and surrounding area. Our plan is to prepare a place to preserve and collect artifacts, develop displays and information about Taylor and the surrounding area, showcase those displays at events and eventually have a local Taylor Museum where people can learn more about our local history. If this sounds interesting to you or if you would like to help or join, contact us by email or phone or attend a monthly meeting.

Our next meeting is June 5 at 7pm in the Old Medical Building beside the Taylor Public Library.

Cool Historical Facts? Did you Know?

The building in the picture on the left was the old CP Air Terminal at the Fort St John Airport. It was moved by truck along the Alaska Highway and became the Hotel in Taylor. This building is still standing and is now the Taylor Inn. The date at the top of the picture indicates that it was taken in February 1957. If you increase the size of the picture, you can see that the building is resting on logs.
