IN THE HEAT WITH TAYLOR FIRE RESCUE

Taylor Fire Rescue would like to wish everyone a safe and happy holiday season!

Taylor Fire Rescue would like to extend a heartfelt thank you and our warmest Holiday Wishes to all our partners in emergency response who we've had the privilege of working with throughout the year.

Our sincere appreciation goes out to the Fort St. John and Dawson Creek RCMP detachments, BC Ambulance Services in both Fort St. John and Dawson Creek, Fort St. John Fire and Rescue, Charlie Lake Fire Department, the Ministry of Transportation and Infrastructure, Commercial Vehicle Safety and Enforcement, the BC Conservation Officer Service, BC Wildfire Service, the Ministry of Emergency Management and Climate Readiness, Dawson Road Maintenance, and Argo Road Maintenance.

We also wish to recognize and thank all our industry partners within the Taylor Industrial Mutual Aid Group (TIMAG). Your ongoing support of Taylor Fire Rescue and the entire community is truly commendable. TIMAG's dedication to community safety and mutual support continues to make a meaningful difference.

A special thank-you as well to Taylor's Emergency Support Services (ESS) team for their unwavering commitment to helping residents of our community and region during their times of greatest need.

Finally, we extend our gratitude to Mayor, Council, and staff at the District of Taylor for their continued support and partnership, which allows us to keep our community safe throughout the year.

Safety Tips of the Month

Holiday decorating tips from the Office of the Fire Commissioner:

- ❖ Keep your tree 1 meter (3ft.) away from heat sources: furnaces, fireplaces, radiators, wood stoves, candles, space heaters, heat vents.
- ❖ A short circuit can start a fire, turn off all lights when you go to bed or leave the house.
- ❖ Use only non-combustible or flame-resistant decorations.
- ❖ If light cords or plugs are damaged, don't use them.

Candle Safety

Candles may be pretty to look at but they are a cause of home fires — and home fire deaths. Remember, a candle is an open flame, which means that it can easily ignite anything that can burn.

"CANDLE WITH CARE"

- Blow out all candles when you leave the room or go to bed. Avoid the use of candles in the bedroom and other areas where people may fall asleep.
- Keep candles at least 1 foot (30 centimetres) away from anything that can burn.

Think about using flameless candles in your home. They look and smell like real candles.

IF YOU DO BURN CANDLES, make sure that you...

- Use candle holders that are sturdy, and won't tip over easily.
- Put candle holders on a sturdy, uncluttered surface.
- Light candles carefully. Keep your hair and any loose clothing away from the flame.
- Don't burn a candle all the way down — put it out before it gets too close to the holder or container.
- Never use a candle if oxygen is used in the home.
- Have flashlights and battery-powered lighting ready to use during a power outage. Never use candles.

Candles and Kids

Never leave a child alone in a room with a burning candle. Keep matches and lighters up high and out of children's reach, in a locked cabinet.

FACTS

- ! **December** is the peak month for home candle fires.
- ! More than **one-third** of home candle fires started in the bedroom.
- ! **Three of every five** candle fires start when things that can burn are too close to the candle.

Emergency Siren Testing

A reminder that the District of Taylor will be testing their **Emergency Siren at 12:00 noon, December 3rd**. This test will continue monthly on the 1st Wednesday of every month.

Emergency and Public Alerts

Did you know that you can receive alerts affecting Taylor, directly to your cell phone, email, or home phone? All residents of the District of Taylor are encouraged to sign up for **Northeast BC Emergency & Public Alerts**, and it is **FREE!**

Taylor Fire Rescue wishes you a safe and happy holiday season!!

“Our Family Protecting Yours”

Be Winter Wise in Taylor

With a Peace Country winter upon us, the Public Works crew does it's best to keep the roads, sidewalks and trails open for safe passage by motorists and pedestrians. When clearing the streets of snow, boulevards are utilized for storage. When snow piles increase in size, they need to be pushed back further onto the boulevard to make room for the next plow around.

The District of Taylor allows within boulevards that are adjacent to private property, **approved and permitted** non-intrusive private development (such as paths, landscape ties, gardens, plantings, lights, underground sprinklers) for the enhancement to the community or district property. If municipal operations affect any **approved** development, repairs will be made at the expense of the District of Taylor.

Placing snow on District property (on the road directly or onto the boulevard) only adds to the snow storage problem, or it may be carried over onto your neighbor's yard, adding to their storage problems. **Individual residential driveway snow should be kept on the property that it originated.** Even more importantly, placing snow on public roadways is a **safety** concern. Snow piles on roadways are not always visible and may impede or deviate traffic flow, affect emergency vehicle response and cause potential danger for pedestrians.

Public Works strives to provide safe passage for motorists and pedestrians on roads and sidewalks, which can be **"obstructed"** when snow from residential driveways is put on plowed or unplowed roads.

- Operations Department

DO this

- 1 Move snow from your driveway onto your property:** Standing, facing the road, move snow over to the right side of your driveway.
- 2 And clear the area by the road on the left side of your driveway.** This gives plows a place to unload snow and helps reduce the chance of a snow berm being created across your driveway.

NOT this

Move snow from driveways into the road or right-of-way:

It's illegal to push snow into or across roadways and rights-of-way. This can create a hazard for people traveling the road, such as drivers, bikers and snow removal equipment operators, and can create liability issues for the property owner.

Have You Paid Your 2025 Utilities?

The deadline for 2025 utility payments is December 31, 2025.

What if I didn't get mine?

- Call or visit the District of Taylor Office.

How do I pay?

- Online – if you bank with Beem Credit Union, Bank of Montreal, TD or Scotia Bank
- Over the phone – by calling the District of Taylor office with a credit card
- By mail – send cash or check to PO Box 300, Taylor, BC V0C 2K0
- In person – visit the District of Taylor office at 10007 100A Street and pay with credit card, cash, check or by Interac

What happens if I don't pay on time?

- The remaining amount will transfer to your property tax account and accrue daily arrears interest.

Please refer to your 2025 Utility bill for more information or contact the district office at 250-789-3392 if you have any questions.

**PLEASE DO NOT PARK IN
GREEN SPACES, BACK
ALLEYS, RIGHT-OF-WAY'S, OR
BOULEVARDS.**

**THIS INCLUDES BACKING UP
OR PARKING RV'S ONTO
THESE SPACES.**

**Let's work together to keep our
community's green spaces clean, safe, and
beautiful for everyone to enjoy!**

A stylized illustration of a nativity scene. In the center, a wooden manger is brightly lit from within, showing the silhouettes of Mary, Joseph, and the infant Jesus. To the right, a silhouette of a camel is being led by a figure. The background is a deep blue night sky filled with numerous small white stars and a single, larger, four-pointed star above the manger. The foreground shows rolling blue hills.

October 14, 2025

Dear Local Businesses and Community of Taylor

It is that time of year again and we are in the planning stages for this year's **Hamper Program- The Taylor Community Christmas Fund**. In past years, we have given out from **24- to 37 hampers** and anticipate more needs and expenses this year (inflation).

With your donations, we can *put together hampers for those less fortunate in our community as well as run a small food bank for the year maintained at Peace Community Church* **All funds** go towards these 2 areas.

HOW CAN I HELP?

1) **Money Donations:** Funds help purchase additional food for the hampers (value approximately \$250 single-\$400/ family) and a small food bank for the year. We need to **raise about \$8000.00 which is close to what we spent last year**. Your generosity will be recognized in the published list in the local Taylor Times.

2) **Food donations.** Please bring food donations of canned and storable goods to the church. Monday, Wednesday and Thursday mornings 9-12 noon.

Donations can be made **payable to the Taylor Community Christmas Fund** and mailed to the above address. You can also e-transfer to pcctaylorbc@gmail.com. No password needed. All funds go directly to this special hamper account. Thank you for your consideration. We hope you will deem this drive worthy of your support.

Sincerely,
Co-Chairs – Cathy Coles and Judy Cassidy
On behalf of the Taylor Community Christmas Fund Committee

A Huge Thank You

To Our Amazing Sponsor

Best Soft Christmas Cookies

I make these Christmas cookies every year! They're soft cut-out sugar cookies that I sprinkle with colored sugar before baking. You can frost them with icing when cool if you prefer.

Submitted by **Georgie Bowers** |

Prep Time: 20 mins

Cook Time: 15 mins

Additional Time: 2 hrs

Total Time: 2 hrs 35 mins

Servings: 48

Yield: 4 dozen cookies

Ingredients

3 $\frac{3}{4}$ cups all-purpose flour

1 teaspoon baking powder

$\frac{1}{2}$ teaspoon salt

1 $\frac{1}{2}$ cups white sugar

1 cup butter or margarine, softened

2 large eggs

2 teaspoons vanilla extract

Directions

Step 1

Gather all ingredients.

Step 2

Sift flour, baking powder, and salt together in a medium bowl; set aside.

Step 3

Beat sugar and butter in a large bowl with an electric mixer until smooth.

Step 4

Beat first egg into butter mixture. Beat second egg into mixture along with vanilla extract; add flour mixture and stir until dough is just combined.

Community Recipes

Step 5

Wrap dough; chill in the refrigerator for 2 hours.

Step 6

Preheat the oven to 400 degrees F (200 degrees C). Grease two cookie sheets.

Step 7

Roll out dough on a clean floured surface to 1/4-inch thickness. Cut out shapes using Christmas cookie cutters; arrange them on the prepared cookie sheets. Gather scraps and repeat this step.

Step 8

Bake in batches in the preheated oven until edges are golden, about 6 to 8 minutes. Cool on the baking sheet briefly before removing to a wire rack to cool completely.

Step 9

Serve and enjoy!
