

**DISTRICT OF TAYLOR  
2026 – 2030 FINANCIAL PLAN BYLAW No. 904, 2026**

**A BYLAW OF THE DISTRICT OF TAYLOR RESPECTING THE  
2026 – 2030 FINANCIAL PLAN**

Council for the District of Taylor in open meeting assembled enacts as follows:

1. This Bylaw may be cited as the "2026 – 2030 Financial Plan Bylaw No. 904, 2026."
2. This Budget, hereto annexed as Exhibit "A", is hereby approved, and authorized and shall stand as the Estimates of Revenue and Expenditure for the years 2026 through 2030.
3. This Statement, hereto annexed as Exhibit "B," is hereby approved and authorized and shall stand as the Statement of Objectives and Policies for the years 2026 to 2030.
4. The Chief Administrative Officer, Director of Corporate Services and Manager of Financial Services are hereby authorized to pay in accordance with the Bylaws of the District of Taylor, in sums of money set out in the Budget for the purposes therein specified.
5. All cheques drawn on the bank for payments of funds belonging to the District shall be signed by the Director of Corporate Services, Director of Community Services, Director of Protective Services, Director of Operations, Manager of Financial Services, or the Chief Administrative Officer and countersigned by the Mayor or such other person or persons as authorized by Council before being issued.

READ A FIRST TIME THIS      7th      DAY OF April, 2026.

READ A SECOND TIME      7th      DAY OF April, 2026.

READ A THIRD TIME THIS      7th      DAY OF April, 2026.

ADOPTED THIS      20<sup>th</sup>      DAY OF April, 2026.

**Exhibit 'B'**  
**District of Taylor**  
**2026 – 2030 Financial Plan**  
**Statement of Objectives and Policies**

In accordance with Section 165 (3.1) of the *Community Charter*, the District of Taylor is required to include in the Five-Year Financial Plan, objectives, and policies regarding each of the following:

1. The proportion of total revenue that comes from each of the funding sources described in Section 165 (7) of the *Community Charter*,
2. The distribution of property taxes among the property classes, and
3. The use of permissive tax exemptions.

**Funding Sources**

**Objectives**

1. To provide good value to the taxpayers within the District of Taylor.
2. To provide opportunities for consultation and input for the public to contribute to the decision-making process and to take that input, if given, into meaningful consideration.
3. To establish user fees that achieve full or partial cost recovery to minimize subsidization while still ensuring the services are not cost prohibitive.
4. To schedule capital projects
  - a. to preserve, maintain and improve our infrastructure,
  - b. to provide for health, safety, and quality of life for property owners, residents, businesses, industry and visitors within Taylor,
  - c. to improve the environmental footprint of the community.

**Policies**

1. Council will review all user fees to ensure the fees, where deemed appropriate, will be based on a cost recovery basis.  
Note: issues that could affect the implementation of cost recovery fees are:
  - i) Market comparable rates.
  - ii) Public safety/health concerns (e.g., subsidized sporting opportunities to promote public safety, health, and well-being).

**Table 1: Sources of Revenue 2026**

Revenue Source	% of Total	Projected \$
Government Grants	52%	11,784,784
Property Taxes	20%	4,555,419
Operational Revenue	10%	2,211,000
Peace River Agreement	6%	1,308,963
Municipal Reserves	5%	1,110,000
Utility Revenue	3%	690,250
Interest, Permit Revenue	1%	257,334
Parcel Taxes	1%	116,250
<b>Total**</b>	<b>100%</b>	<b>\$22,034,000</b>

**Distribution of Property Tax Rates**

The issue of property tax distribution is always a difficult issue for Council. They are set after due consideration of several factors – including but not limited to:

- Economic development concerns/issues
- Relative community impact
- Historical property tax rates
- Province wide comparisons for industry
- Community acceptance

**Table 2: 2026 Municipal Property Tax Rates**

Class Name	2026 Assessment	2026	% of Total
Residential	166,869,300	4.0962	14.97%
Utilities	22,530,610	40.0000	20.46%
Supportive Housing	0	0.0000	0.00%
Major Industry	39,372,700	56.1374	46.88%
Light Industry	24,826,300	33.3253	15.50%
Commercial	13,271,100	14.6699	2.07%
Recreational	1,134,200	6.2260	0.11%
Farm	161,575	15.9909	0.02%
	<b>\$265,165,785</b>	<b>170.4457</b>	<b>100.00%</b>

**Objective 1**

To have major industrial taxpayers (industry) close to the provincial average for other industrial communities (i.e., communities with \$10,000,000 or more in industrial assessment; see Table 4). The tax rate multiples are not linked or of prime concern due to the realities of the real estate market/industrial assessment formulas. The percentage of taxes collected from major industry, in relation to overall taxes collected, has been 52.75% in 2019, 53.39% in 2020, 55.26% in 2021, 54.68% in 2022/2023, 55.57% in 2024, 46.38% in 2025, and is 46.88% in 2026.

## Objective 2

The Business tax rate has been set to less than a 2 to 1 ratio in relation to the residential tax rate, “artificially low” with the intention of providing an economic incentive for growth. Given the relatively small size of the assessment base for this class, the relative budgetary impact of having a higher tax rate would be negligible. The 2026 tax rate is 1.74 to 1 which is still in line with 2 to 1 ratio.

## Objective 3

The residential tax rate, like the industrial rate, has generally been set to provide for the generation of a consistent source of tax flow. Taylor’s residential property tax rate is below the regional average. The rate remains intentionally low when compared with other municipalities in the region to encourage further economic development and offset the perceived negative impact to assessment values from the proximity of industry.

**Table 3: Comparison of 2025 Property tax rates in the Peace River Region**

Municipalities	Purpose of Tax Rate	Residential	Utilities	Supportive Housing	Major Industry <sup>1</sup>	Light Industry	Business	Managed Forest Land	Recreation Non-Profit	Farm <sup>1</sup>

## Policies

The District will:

1. Supplement, where possible, revenues from user fees/charges and other sources to help offset the municipal tax burden.
2. Continue to maintain and encourage economic development initiatives to attract residential growth necessary to provide critical mass for viable commercial development within the community.
3. Regularly review and compare the District's distribution of tax burden relative to other communities in the region and Province of BC.
4. The District will not impose development cost charges or business licenses fees to compensate for the differential between residential and industrial property tax rates and to promote economic development.

## Permissive Tax Exemptions

### Objectives

Any organization receiving the exemption must be a registered non-profit society, as the municipality will not provide a subsidy that result in commercial and/or private gain.

### Policies

1. The District will continue to provide, without discrimination, permissive tax exemptions for all non-profit organizations upon request.
2. The District will review, upon application, requests by other non-profit organizations for the granting of tax exemptions. The goals, policies, and principles of the organization receiving the exemption must not be inconsistent with, or in conflict, with those of the District.

**Table 4: Comparison of Provincial 2025 Property Tax Rates with Major Industry Assessments over \$10,000,000**
