IN THE HEAT WITH THE TAYLOR FIRE RESCUE

Do you know what to do after a fire has happened in your home?

The District of Taylor has another amazing group of emergency responders that volunteer their time to assist you after an emergency happens. Introducing our Emergency Support Services team!

What is Emergency Support Services (ESS)?

ESS helps preserve the well-being of British Columbians during or immediately following an emergency. Coordinated by the District of Taylor, our ESS volunteers help people affected by large emergencies; but may also assist during smaller emergencies such as house fires or disasters affecting a few members of a community.

Heather Schroeder has proudly served as Director of Emergency Support Services (ESS) since 2023, after beginning as a volunteer in 2022. Guided by the Rotary motto, "Service Above Self," she is passionate about supporting people and strengthening community resilience during times of need. Outside of ESS, Mary enjoys spending time with her family, camping, gardening, and cooking. Whether leading emergency responses or enjoying the outdoors, her focus remains on nurturing and supporting her community. "The best way to find yourself is to lose yourself in the service of others." — *Mahatma Gandhi*

Junior Firefighter Mackenzie Hicks joined Taylor Fire Rescue in September 2025 after moving to Taylor. A homeschool student, she holds Intermediate First Aid and Bronze Cross certifications and has recently completed First Responder training. Mackenzie is also currently working towards her National Fire Protection Association (NFPA 1001) certification. Outside the firehall, she spends her winters maintaining ice sheets at the Taylor Curling Club.

Community Events

Mother's Day Breakfast

The Taylor Firefighters Association would like to thank everyone who attended the Mother's Day Breakfast. A huge thank you to the corporate sponsors: NorthRiver Midstream, Petron Communications, AAA Safety, Home Hardware, Steel Toes, and Redwood Esso, you helped make it another successful year. We served approx. 250 people and raised \$6000 to donate. \$2000 each were donated to Wounded Warriors, Peace Community Church, and the Association for Community Living.

Congratulations to all this year's winners! See you all next year!

Home Hardware BBQ Event

The Taylor Firefighters volunteered their time to BBQ for Home Hardware's annual Contractor's Appreciation Day on June 3rd.

Mid Year Incident Counts

We are halfway through 2026, and our Taylor Fire Rescue crew have responded to approximately 93 calls. They have responded to 13 MVI (motor vehicle incidents), 36 First Responder/medical calls, 15 Fires, and 29 other calls. Taylor Fire Rescue would like to thank the members of our community for your continuing support.

2026 Mid Year Incident Report Count

Safety Tip of the Month

FireSmart™

Fire season is here, being fire smart will help prevent wildfires.

BRITISH COLUMBIA CAMPFIRE REGULATIONS

Violating these regulations could cost you **\$1,150**.

If a violation causes a wildfire, the person responsible may also be ordered to pay all firefighting and associated costs.

CAMPFIRE SIZE

A campfire is defined as a fire no larger than 0.5 metres high and 0.5 metres in diameter. Fires larger than that are considered Category 2 open fires and are illegal if Category 2 open burning prohibitions are in effect.

8 LITRES OR A HAND TOOL

You must keep at least eight litres of water or a hand tool on hand at all times while your campfire is lit.

PUTTING OUT YOUR FIRE

Before you leave the area for any amount of time, your campfire **MUST** be fully extinguished. The ashes of your fire must be cool to the touch.

FUEL BREAK

You must have a fuel break around your campfire. This area must be cleared of debris and anything combustible. It needs to be wide enough to stop the spread of the fire. A rock ring around the fire can also help prevent it from spreading.

You **MUST NOT** leave your fire unattended for **ANY** length of time.

Report wildfires, unattended campfires or violations of regulations by calling
***5555** on a cell or **1 800 663-5555** toll-free.

BC Wildfire Service

BCwildfire.ca

@BCGovFireInfo

Public Notice - Emergency Siren Testing

The District of Taylor will be **NOT** be testing the Emergency Siren on Wednesday July 1st. This test will continue in August and then monthly on the 1st Wednesday of every month.

Emergency and Public Alerts

Did you know that you can receive alerts affecting Taylor, directly to your cell phone, email, or home phone? All residents of the District of Taylor are encouraged to sign up for **North East BC Emergency & Public Alerts**, and it is **FREE!**

Be evacuation prepared before an emergency strikes by self-registering for the **Evacuee Registration and Assistance (ERA) tool**. The ERA tool supports the delivery of ESS through an online web-based platform.

Be Evacuation Prepared - Register with ERA

Evacuations can be stressful. However, if you take the time now to prepare you can save time and make real situations less stressful.

If you have a **BC Services Card** and would like to register in preparation for a possible future evacuation, you can now self-register.

[Self register](#)

“Our Family Protecting Yours”

PUBLIC NOTICE – WATERING RESTRICTIONS

Stage 1 Water Use Restrictions are in effect FROM MAY 1 TO SEPTEMBER 30 as follows:

STAGE 1 – REDUCED LAWN WATERING

1.1 During Stage 1:

- a) no person shall use a sprinkler to water a lawn growing on a property.
- i) except ON AN ODD NUMBERED DAY BETWEEN THE HOURS OF 6:00AM TO 8:00AM AND 8:00PM TO 10:00PM INCLUSIVE.

ENFORCEMENT

While cooperation from the community is anticipated and warning notices will be given, the District will issue a \$100.00 ticket to offenders.

1.2 As exception to the Stage 1 restrictions are:

- a) Nurseries, Farms, Turf Farms, Golf Courses and Tree Farms are exempted from restrictions; and
- b) Public authorities may water lawns and boulevards on any day, but no more than three days per week.

Frequent Water Conservation Questions and Answers

Q: Why do we need to conserve water in this region?

A. Becoming more efficient in how we use water and reducing waste helps to ensure our water supply for today and tomorrow – an important part in becoming a sustainable region. It also means we can save on operational and supply costs, money which can be better applied to social programs and invested to eventually increase our infrastructure to service more residents. System expansion also has environmental costs. By reducing our demand and waste today, we can make our current system more secure and last longer.

Q: What can I do to reduce the need to water my lawn?

A. Leave grass clippings on your lawn to save time, money and effort. Clippings will break down into fertilizer and because they cover the lawn, they reduce evaporation and the need to water. Spreading compost on the lawn will provide natural nutrients and increase its moisture retention ability. You may also consider alternative ground cover that requires less water and less maintenance than a lawn.

Q: How can I keep my new lawn alive?

A. Contact the District office for a permit that allows sprinkling outside the designated watering times for new lawns. While most municipalities charge a fee for this permit, Taylor does not.

Q: Why are there some exemptions, such as golf courses and farms?

A. Summer sprinkling regulations are meant to reduce water use in ways that do not cause serious economic hardship. Those users requiring water as part of a business operation are expected to conserve as much water as possible without resulting in a loss of business. In the case of the Lone Wolf Golf Club, irrigation water is taken from storage ponds that are filled directly from the Peace River. Therefore, usage outside of the specified hours does not impact the reservoir level.

WATER CONSERVATION TIPS

Residents are encouraged to conserve water! Water conservation means achieving the same results while using less water. Definite, measureable results may be obtained by eliminating wasteful water use habits and by using water more efficiently.

- Water in the evening or early in the morning to reduce evaporation.
- Most lawns need only an inch of water (2.5cm) per week to stay healthy. Use a shallow can to reassure this amount.
- Adjust sprinklers so only the lawn is watered, not the house, sidewalk or street. Do not water on a windy day.
- Listen to the weather forecasts. This way you can choose not to water the lawn when it is going to rain.
- Plant water efficient grasses, plants, trees and shrubs.
- Use mulch around your plants to help the soil retain moisture and reduce the growth of weeds.
- Use a broom when cleaning the driveway.
- When washing vehicles, use soap and water from a bucket. Use a hose with a shut-off nozzle for the final rinse.
- Collect rain water in a barrel and use it to water your garden.
- When mowing, raise the blade on your lawn mower to at least 2 inches high. *Most Bluegrass varieties prefer heights of cut between 1.25 and 2.5 inches for optimal growth and plant health. Closely-cut grass makes the roots work harder, requiring more water. Leaving the clippings on the lawn will help retain moisture.

Thanking you in advance for your cooperation!!

Public Works Corner

YARD AND GARDEN TRIMMING SITE

The Yard and Garden Trimming site is located beside the Public Snow Dump area @ 10347 - Cherry Ave. East, just past the Golf Course Maintenance yard.

Allowable dumping for the site is yard waste such as leaves, grass, garden waste and branches no larger than 3" in diameter.

Please follow the instructions of what is permitted to be left at this site so that it can continue to be a feasible service for the residences of Taylor.

Public Works Department

We're Refreshing Our Logo!

The District is excited to begin work on a logo refresh and wants to hear from our community. Your input will help shape a logo that reflects who we are today while celebrating the character and spirit of our community.

Public engagement opportunities will launch this fall, giving residents a chance to share their ideas and feedback throughout the process.

Stay tuned for more information and be sure to follow our Facebook page for updates, engagement opportunities, and project announcements. We look forward to hearing from you!

At NorthRiver, we look out for our communities, our neighbours and our people by having proper safety measures in place, and ensuring our business is executed in a safe and compliant manner.

To complete routine maintenance and regulatory inspections, we will be shutting down our McMahon Gas Plant near Taylor, B.C. from Sept. 8 to Oct. 8. to support the safety of our operations.

To support this work, residents will see increased flaring, bus traffic, and people on these dates.

FOR MORE DETAILED INFO ON ALL ACTIVITIES CHECK OUR FB PAGE, INSTAGRAM,
TAYLOR PARENTS FB GROUP, TAYLOR TIMES, OR THE LIBRARY'S COOP WEBSITE.

Northern BC residents can get help immediately by contacting any one of the following:

Call 310Mental Health Support at 310-6789 for emotional support, information and resources specific to mental health; call 1-800-784-2433 if you are experiencing feelings of distress or despair, including thoughts of suicide.

If you or someone you know is in immediate crisis or has suicide-related concerns:

9-8-8 is for anyone who is thinking about suicide, or who is worried about someone they know. Connect to a responder to get help without judgement. Call or text 9-8-8 toll-free, anytime for support in English or French.

Kid's Help Phone Offers professional counselling, information and referrals and volunteer-led, text-based support to young people in both English and French. Reach out by texting CONNECT to 686868

The KUU-US Crisis Response Service at 1-800-588-8717 provides culturally-aware crisis support for Indigenous peoples in B.C.

The Alcohol and Drug Information and Referral Service at 1-800-663-1441 can help you find resources and support.

The Northern Health Virtual Primary & Community Care Clinic at 1-844-645-7811 offers access to a family doctor or nurse practitioner, including for mental health needs.

And if your employer offers an employee assistance program, we encourage you to reach out to those resources, as needed.

B.C. has several virtual mental health supports for anyone experiencing anxiety, depression or other mental health challenges, and you can find more information at: <https://www2.gov.bc.ca/gov/content/health/managing-your-health/mental-health-substance-use/virtual-mental-health-supports>

See Northern Health's website for additional mental health supports here: <https://www.northernhealth.ca/services/mental-health-substance-use>

Do you have an ad you want to see in the Taylor Times?

How much does it cost?

Business Card Size	\$12.77/ month	1/4 Page Ad	\$19.65/ month
1/2 Page Ad	\$39.28/month	Full Page Ad	\$76.60/ month

Non-profit organizations are offered 1/2 page advertisement per month free of charge.

***Please note above pricing does not included taxes that will be charged at time of purchase.**

Payment can be made in person or via phone. Please note that payment has to be made prior to the publishing date in the Taylor Times.

When is the submission deadline?

Advertisements and articles have to be submitted by the 20th of each month for the upcoming issue. Submissions past this deadline will not be accepted.

In which format do I have to submit my advertisement?

Advertisements and articles have to be submitted in print ready stage.

Electronic submissions have to be made as a word documents or jpeg-file. Word by word submissions are possible for people that do not have access to computers and internet, however they need to be made in person during office hours.

Please note that due to copy right reasons, we cannot accept advertisements, pictures or articles that have been copied from other publications.

For more information call the Community Services Hub at 250-789-2828
or email smaycock@districtoftaylor.com
